Dear Sir

I am sorry you wanted to write, before shipping the picture. I supposed you would ship it, and then send the bill to me, as I expected to pay expenses.

So pleas ship it per Northern Central Freight, on receipt of this, and send the bill to me. I presume it wont be far from five dollars, it cost 75 cts for cartage, and 4 dollars

for the Cabinet makers assistance in getting it up. See that it is properly marked and reported to the Freight Clerk, so they will send it to Baltimore free, as they have orders to that effect from Head Quarters.

And Oblige

Yours Truly

James Hope

## OFFICE OF LIBRARIAN,

Louisville, Ky. March 19th 1875

Mr MacLeod,
Dear sir,

I received to day your communication, and as terms suit will take the pictures, wishing however three each of the Venus Group, Laocoon, Venus Victrix, (Gibson) and Greek slave, instead of four each of the three, as at first ordered. I would prefer, if possible, to have the Laocoon with black back-ground as a companion to the Venus Group. I order of course the largest size photographs, like those sent the Public Library - you understand. Enclosed find Post-Office order for the amount ($ 9.)
